Dear John,

EXETER AND DISTRICT VOLLEYBALL ASSOCIATION VOLLEYBALL POSTS AND NETS

The EDVA has considered the points raised in your letter of 30th September and propose that the installation of the volleyball posts and net in the sports hall of Exeter School be undertaken on the understanding that:

- (i) the posts, fittings and net remain the property of the Exeter and District Volleyball Association, and the Association reserves the right to remove the equipment subject to adequate notice being given by the Association,
- (ii) the posts and net are kept in a secure, internal storage facility,
- (iii) the posts and net are kept under lock and key when not in use - the Exeter and District Volleyball Association to be supplied with two keys,
- (iv) the equipment may be used by Exeter School provided that the Exeter and District Volleyball Association is not liable for any injury arising out of its use and provided that any damage, excluding normal wear and tear, to the equipment during such use is paid for by Exeter School,
- (v) the equipment may be made available to third parties hiring the sports hall provided that the Exeter and District Volleyball Association is not liable for any injury arising out of its use and provided that any damage, excluding normal wear and tear, to the equipment during such use is paid for by the user of the equipment,

If you are in agreement with the conditions listed above I would be grateful if you would sign a copy of this letter and return it to me as soon as possible.

Yours Sincerely

Martin J Tugwell
Hon. Secretary
